PATRICK KEENAN ELECTED PRESIDENT OF THE BOARD.

Voted for by Democrats and Republicane— The Dilemma is which the Mayor is finid to be Placed—What is thought of the Result The Board of Aldermen organized yesterday by electing Alderman Patrick Keenan Presddent and Capt. Francis J. Twomey Clerk. All the members of the Board except Alderman Coggey were present. Alderman Strack was made temporary Chairman. Immediately after taking the chair he directed that a vote for President of the Board be taken, and the Clerk

Aldermen Autenrieth and Cavanagh (Irving Hall Democrats) voted for Patrick Keenan, and Aldermen Finck, Hawes, and Hilliard (Repub-Aldermen Finck, Hawes, and Hillard Hapdo-licans) for Henry C. Perley. Alderman Ber-nard Kenney (Irving Hall), voted for Mr. Keenan, and Aldermen Patrick Kenney, Kirk, and McAvoy (Tammany) for William Sauer. Alderman McClave's name was called. The Alderman, who is a Republican, said that the Republican members of the Board had deter-mined to vote for a Democrat for President. He concluded by voting for Alderman Keenan. Alderman Murphy (Tammany), Alderman Perley (Republican), and Alderman Power (Irving Hall) voted for Alderman Keenan.

Alderman Sauer's name was the next on the clerk's roll. He has been Tammany's candidate for the Presidency of the Board since its first meeting. When his name was called he arose and said: "I have had several inter-views with his Honor, the Mayor, and on several occasions he told me that he would not give any recognition to a President of the Board who was elected by the votes of Republican Aldermen. I asked how it would be if a Democrat was chosen by Republican votes,

can Aldermen. I asked how it would be it a Democrat was chosen by Republican votes, without a previous bargain, and he replied: "That will make no difference to me, and then repeated his first assertion. It is evident that a Democrat is to be elected to-day whom I celetem. I should be happy to vote for him. But he can see the position in which I am placed. I and every other Democrat have been warned that the Mayor will not recognize a President who is chosen by the aid of Republican votes, whether through a bargain or not. I am not willing to be put in that position, and I therefore vote for Alderman McAvoy."

The next name called was that of Alderman Shoils. He asked to be excused from voting, and said that the Democrats in the Board had made repeated efforts to unite on a candidate for President. He had attended meetings which were composed of seven Aldermen, including Alderman Sauer, at which it was acreed that If Alderman Sauer could not be elected he should be withdrawn and another candidate be put in the fleid. Then looking toward Alderman Sauer, he continued: "Republican votes have been sought by both sides, and unless I have been misinformed the gentleman himself has tried to get the help of those gentleman. I know of no deal by which anybody is to be elected today."

"You haven't been around enough lately."

of no deal by which anybody is to be elected to-day,"

You haven't been around enough lately."

Alderman Sauer interrupted,
Alderman Shells replied promptly: "I'm afraid you've been around too much," and then gave his vote to Alderman Keenan.

When Alderman Slevin's name was called he asked to be excused. Alderman Murphy, who was passing behind the speaker, said: 'I ob-ject."

was passing behind the speaker said: "I object."

Mr. Slevin said in a low tone. "I hear sounds from a meat market down in Catharine street," and then addressing the Chair said: "I wish to charge here, publicly, that the Mayor is responsible for the failure of this Board to organize. He has told me and other members of the Board that he would not recognize a President chosen by Republican votes." Mr. Slevin then withdrew his request to be excused, and voted for Alderman Starck (Irving Hall) and Aldermen Beaman, Waite, and Wells (Republicans) voted for Alderman Keenan. Then Aldermen Finck, Hawes, and Hilliard (Republicans), who had voted for Alderman Perley, asked to have their votes recorded for Alderman Keenan. Alderman Meavoy (Tammany), who had voted for Alderman Sauer, followed the example of the three Republicans.

Alderman Sauer, followed the example of the

three Republicans.

Alderman Sauer sprang to his feet as Mr. McAvoy sat down, and said: "Mr. President, I desire to change my vote from Alderman McAvoy to Alderman Kirk." Then Alderman Keenan asked to have his vote recorded for Alderman McAvoy.

The vote after these changes had been made was as follows: For Patrick Keenan-Aldermen Auterrieth, Cavanagh, Bernard Kenney, Power, and Strack (Irving Hall Democrats); Alderman McAvoy. (Tammany); Alderman Murphy and Sheils, (Independent Democrats); and Aldermen Finck, Hawes, Hilliard, McClave, Periey, Seaman, Waite, and Wells, (Republicans)—16.

Clave, Perley, Seaman, Waite, and Wells. (Republicans)—16.

For William Sauer—Aldermen Patrick Kenner, Kirk, and Slevin (Tammany)—3.

Alderman Keenan (Domocrat) voted for Joseph J. McAvoy, and Alderman Sauer (Tammany) for William P. Kirk.

The Clerk announced the result, and Chairman Stack declared that Patrick Keenan had been elected President of the Board for 1881.

President Keenan was escorted to the chair by Aldermen Sauer. McAvoy, and McClave. He thanked his colleagues for the honor which had been conferred upon him, and then asked what was the further pleasure of the Board.

Alderman McClave moved that Capt, Francis J. Twomey be elected Clerk of the Board. The roll was called, and Capt, Twomey was unant-

A committee called on Mayor Grace and told him that the Board was organized, and the Board adjourned to Tuesday next.

President Keenan is a resident of the Eleventh Ward, and has been for many years a Democratic politician in the Twelfth Assembly District. Prior to this year he has been an active member of the Tammany organization. This year he declined to serve on the General Committee of that party. He still claims to be a Tammany Democrat, but is opposed to John Kelly's leadership of that organization. Mr. Keenan was an Assistant Alderman in 1873 and 1874, and has been an Alderman since Jan. I, 1876. In 1879 and 1880 he was Chairman of the Board's Finance Committee, and, by virtue of that position, a member of the Sinking Fund Commission.

The organization of the Board was much talked about by the politicians who frequent the City Hall, and in Tammany circles rumors were prevalent of a new combination between the Irving Hall Democratis and the Republicans. LIMA, Jan. 26.—The lamentable news announcing the defeat of the Peruvian army by the victorious Chilians reached Caliao sariy on the evening of the 13th inst. As it was known in official circles that anothe to attitude the victory gasperiority in numbers, the police in the victory gasperiority in numbers, the police interview of the permission to allow them to make a last effort to save their country by leading them to colocrate with the remaining forces, so as to defeat, if possible, the enemy, who, it was said, was marching rapidly to the capital. This having met the approbation of his Honor the Prefect, nearly 3,000 men, well equipped, started for Lima. The city was therefore left entirely to its inhabitants, who have been always considered a law-solding people.

The usual vivas which precede a storm seemed to have been the password of the despoilers who commenced operations on the evening of the 16th inst., and in less time than it takes to record hundreds of men, women, and children armed to the teeth were soon to be seen rushing off in all directions to the shoes and stores, which were being broken open. Callao was doomed to be the theatre of some frightful scenes, as it was not long before some loud reports were heard, like the bursting of some heavy projectiles, which was soon discovered to have been the blowing up of the forts, while at the same time the shine which comprised the Peruvian navy weer all seen to be on firs. The special process which have been all burned, and the castle situated near the Independencia square, the destruction of which would have injured the whole city, their well-earned comforts. Fortunately, however, things did not reach such a climax, as by 12 M. of the next day the ships had been all burned, and not seen the landence of

Brooklyn's Small-Pox Patients.

The frame small-pox hospital at Flatbush is a wretched building, which recently had to be abandoned. Schench, Superintendent of the Kings County Hospital; Health Commissioner Crane, Sanitary Superintendent Raymond, Commissioner Crane, Sanitary Superintendent Raymond, Mayor Howell, and State Commissioner of Charities Ripley Ropes, to discuss the means of caring for small-pox patients.

Mayor Howell consented to appropriate the money needed for a small-pox hospital within the city limits under the emergency act if, after the Charities Commissioners and Board of Health had determined upon a plan, it could be legally done.

An active little man pushed his way through Justice Kilbreth, threw back his shoulders, and said: "I've been bitten by Connor's dog. It's a terrible brute. Connor is a great big man, nearly twice my size. I told him if his dog bit me again I'd shoot it. He said if I did, he'd shoot me. Here a the evidence."

He handed the Justice a letter, of which the following is a copy:
